Ten Age Center
The Teen Agers will get together in the City Park tonight at 7:30, until 10 o'clock. There will be games, dancing and refreshments served on the tennis court which will be lighted. Chaperones will be Coach Cooke and Miss Myrtice Gillman and Mrs. Kenneth Lutz. One side of the tennis court will be reserved for dancing, one corner for refreshments, and ping pong, checkers, Chinese checkers, and other games will be conducted on the other side. Horse shoes will be played on outside of the court. Music will be supplied by a record player and a good time is promised everyone.

Girl Scouts
The Girl Scouts of Troop 1 held their weekly meeting at the Scout Hut Monday afternoon under the leadership of Mrs. Mary Cross. Mrs. Ralph Freeman spoke to the girls about going to camp this summer. Everyone is working hard on their badges so as to qualify as a first class scout. Kaye Lutz, Daphne Schreiber, Joanne Kank, and Jackie Berry worked on first aid badges which is under health and safety. Joanne Livingston, Betty Jean Pitts, Geraldine Dras, Maxine Schug and Betty Lou Powell worked on home health badges, folk dances, and housekeeping. Joanne Livingston and Betty Lou also worked on their glass badge.

Junior-Sponsor Dance
The Juniors sponsored a dance which was held in the high school gym Wednesday evening. Decorations used for the Junior-Sponsor Prom had not been removed so the guests enjoyed the beautiful southern garden. A charge of 50 cents was made for students to add to the fund necessary for graduation expenses.

Band Goes to St. Petersburg
The band left for St. Petersburg Thursday morning where they entered the Florida sixth annual high school band contest. Forty-three bands took part in the various contests. Our band was in the D class due to the fact that this was their first year. They competed with LaBelle, Largo and Wildwood in the concert and were classed as first division. They were classed as third division in the drill contest where they competed with Kettering, Largo, St. Augustine, LaBelle and Wildwood. They went on a bus chartered by the band committee, arriving Thursday night about 6 o'clock, and stayed at the Mari-Jean hotel. They attended Mass Band

ATTENTION

Growers, Packers and Shippers

Opportunity presents itself at our doors for the obtainment and operation of a sizeable new dehydrating plant for the manufacture of stock feeds, from now wasteful farm products.

We have arranged for E. B. Smoke, of Winter Haven, who is interested in the citrus dehydrating business there, to visit and council with local people, as to the advisability and possibility of locating a plant here, for the use of waste products, such as windrow corn and Egyptian wheat for the manufacture of stock feed, along with later discovered crops which can be dehydrated.

You are all invited and urged to attend a public meeting at the Belle Glade City Hall Tuesday night, April 16, for the discussion of the project, and to hear how all can gain additional profits from now unused crops.

GOLDEN ANNIVERSARY

(Continued From Page 1)
fifty guests attended during the afternoon. A three tiered gold and wedding cake was cut and served by the couple to their many friends. Photographs were taken, and Dad and Mother Evans displayed lovely gifts presented to them by their church, lodge, and hosts of friends. Piano music was softly played during the reception by Mrs. J. W. Rashley and Mrs. Dorotica Jones.

A musical program was given by a quartet composed of Dr. W. T. Forsee, Mrs. George Williams, Robert Rashley and Mrs. Jones. Dr. Forsee also sang a solo, "The Sweetest Story Ever Told," accompanied by Mrs. Rashley. Mrs. Jones gave two vocal solos and accompanied herself.

Hostesses were Mrs. Chamberlee, Mrs. Ben Fleming, Mrs. L. L. Price, Mrs. Cecil McClure, Mrs. Josephine Farmer and Mrs. J. O. Darden.

The Evans were married in their native Wales and their first child, now Mrs. Fran Kelley, was born there. He was a coal miner by trade. In 1900 they came to America and located in Greensburg, Penna., later moving to Indiana. In 1925 they came to Belle Glade and since 1929, "Dad" has been the bridge tender here for the Everglades Drainage district.

Dad served as a city commissioner for six years, and with one exception, has served as an election inspector every year at all elections since the city has had a voting precinct. They are both members of the First Baptist Church, Sunday school classes and church organizations. He is a member of Belle Glade Lodge No. 273, F. and A. M., Lake Worth Scottish Rite Consistory, and a charter member of Glades Lodge No. 36, Independent Order of Odd Fellows. He is now serving as chaplain of the Masonic lodge.

Mother Evans is a member of the Order of Eastern Star, and the women's societies of her church but her main interest in life is caring for her home and husband.

They are the parents of the following: Mrs. Kelley, Mrs. Ray, Willock, Mrs. William Evans, all of Belle Glade, Mrs. Max Harrell of South Bay, and David Evans of Miami.

Caring for Bleacher Seats

Coach W. H. Cooke has been given the job of tearing down, painting and storing the football field bleachers, which are to be stored for the summer in the Graber and Sons packing house. He will also supervise a number of improvements at the field, including the laying out of the location for the additional bleacher seats which the Athletic Council has ordered.

Campaign Launched

The National Cancer Campaign was launched in Belle Glade Monday by the Business and Professional Women's Club who are sponsoring the drive in this area. Mrs. Imogene Fontaine has been appointed chairman, and Mrs. Mary Pope, treasurer.

The American people are aroused as never before to the necessity of doing something about cancer. Accurate figures show that from Pearl Harbor to V-J Day, more people died from cancer than were killed by the Japs.

This campaign is being conducted to raise funds to carry on research to determine the cause of cancer, and to educate the public to recognize its symptoms.

Sixty per cent of the money raised locally will remain in State Headquarters for cancer education and service to patients within the state.

The quota for Belle Glade, South Bay, Bean City and Lake Harbor is only \$1500. Mrs. Fontaine is confident of going over this amount. Envelopes for contributions have been mailed and containers placed in all places of business.

IMPORTANT MEETING

(Continued From Page 1)
growers, packing houses and shippers, to discuss the subject, at a meeting at the Belle Glade City Hall, Tuesday night, April 16, at 8 o'clock.

Before investing monies in a large plant, the Winter Haven syndicate desires to know what co-operation in the growing of crops for plant supplies, and some financial support, can be secured in the local community.

It is to discuss these phases that this public meeting is called, with hopes that there will be a large attendance of local citizens.

COMMISSION

(Continued From Page 1)
sition was given the brush-off to await later decision of other cities.

Rader Properties, having complied with the commission's request for property owner consents, the solicitor was directed to draw up a re-zoning ordinance for this particular location, for one package liquor store.

Also similar action for the Harold Bigger property down at the triangle of West Palm Beach road and First street, SE, where he plans a deluxe barbecue and a 20 unit apartment house, if property owner consents are secured. This land is now in residence zone and will be designated a business zone.

Building permits granted

were: G. W. McClure, \$7,000 residence on SE 2nd St.; and Mrs. Alda Sasson, addition, \$300.

The commission is to hold a special conference with Mr. Durrance of Miami, and the Cook syndicate of West Palm Beach in regard to the proposed city sewage system finance matters. Mr. Durrance thinks there can be a considerable saving under the engineer's estimates, so that a smaller bond issue will be required, if the work is ordered.

No Help—

Closed Restaurant

Owing to lack of help in kitchen and dining room, the Bell restaurant has been closed several days this week, much to the inconvenience of the owner and the patrons.

Mr. Bell states that in all of his long years of public catering he never ran up against such a shortage of eating house labor as now exists.

Election Of Officers By Legion Tuesday Night

Everglades Post No. 20, with 90 World War II members and 60 old timers, will elect a full slate of officers to serve for the coming year Tuesday night at 8 o'clock at the City Hall.

committee gives the youngsters a majority of the places on the candidate list, and some will be added from the floor, it is understood.

One old timer said "The Legion in Belle Glade has a lot of work to do both for the legions in schooling, on-the-job training, rehabilitation, hospitalization, pensions, etc., and it has a duty to the community which is evident in the Crippled Children's Clinic and, Mr. Mayo's agricultural exhibit building now awaiting. The youngsters are not only invited but we insist that they come and join in. We

oldsters will go along giving them the benefit of our experience, but we are more than willing to turn things over to them and help them. We want all those eligible to join us, whether they have been personally invited or not."

C. Barrow, of the Belle Glade Beauty salon, who recently underwent a major operation at the St. Vincent hospital at Jacksonville, is reported as making slow but satisfactory recovery. Mrs. Barrow has been attending her husband during his convalescence.

Important Dates For
Scottish Rite Events

Officials of Lake Worth Consistory, Scottish Rite, have notified members that there will be a special meeting of the Consistory on the night of April 27, for the purpose of a special visitation of Grand Commander John H. Cowles, and his traveling companions, Sovereign Grand Inspector, of Alabama

Charles A. Moffett, Deputy of the Supreme Council of Pennsylvania, John Wallace, and Deputy of the Southern Jurisdiction of Florida, James D. The Consistory will be opened in the Fourteenth Degree so that all the membership will be able to attend, and the functions and addresses of the evening. Members are requested to wear grade caps.

Also at the temple in Miami on April 23, the Ceremony of

Investiture of the rank and decoration of the Knight Commander of the Court of Honor will be conferred on Miami and Lake Worth Consistory members elected to receive that high Masonic honor. Those from Lake Worth Consistory to be so honored are: Harris M. Baker, Gerhard Kastrum, and Joseph D. Lenderman. The Grand Commander will preside at these ceremonies.

Announcement is made of the

coming spring reunion of the Lake Worth Consistory on May 11 and 12, and 18-19, on which time the grades or degrees will be conferred or communicated. The dates of May 11-12 will be devoted to the Lodge of Perfection degrees; with the 18-19, the Seventh degree. The date of May 18, will be devoted to the Knight Kadash grades; and that of the 19th, to the Consistory proper. A Miami degree staff will work the 21st degree on the night of May 18th.

ANTICIPATE

Continued from page one were expected to automatically go on again April 10. Prices have not risen to ceiling and commercial shipments of 5922 cars for the week ending March 30 were 1500 cars larger than during the same week a year ago.

Tomatoes are arriving at the Pahokee houses in small quantities, but next week will see a heavy increase in such offerings. Quality and quantity appear good.

Florida Farm Bureau's good friend John M. Hutson has been resigned as Undersecretary of Agriculture to become Deputy Secretary General of the UN organization. To succeed him, N. E. Dodd has been named by President Harry Truman. Dodd made a wide farm survey of Florida recently, and proved his interest in Florida farm problems. He has been connected with the AAA and more recently with the Production and Marketing Administration.

Some lima beans are now being processed in region packing houses, most of them being toted out by trucks. Ceiling prices prevail. Quite a crop of this type of bean is expected to be harvested.

Celery, beans and potatoes have been the vegetables which have been handled through region packing houses the past week, and good car movement is again expected for the week. The Glades Branch of the National League of Wholesale Fresh Fruit and Vegetable Distributors, (what a name), are sure planning strong on that national convention in West Palm Beach next January. The boys feel that Florida can put on the largest and swiftest convention

ever held by the league in its history. They are planning a program which will give all the visitors a chance to visit the Glades to see our farming area, its farm practices, its industries and the sugar plant at Clewiston. It plans on having some of the big name bands and radio stars on its entertainment program. Just leave it to the Glades hustlers to stage a top event of this nature, for it will not be their fault if same is not a success.

Most of Florida's valuable farm lands lie in Palm Beach county, and in the precincts of the Everglades Drainage District and whatever that board can do, reflects to the interest of the land owners. This board has done wonders in finance the past two years and has plans for even greater things. In 1945 it retired by purchase \$350,000 of bonds callable April 1, 1947, and has funds to meet fixed maturities on the same date, amounting to another \$340,000. If all callable bonds are met on or before their maturity date, which now seems possible, the entire drainage district bond debt will be wiped out by 1955.

With time and gas obtainable, the 1946 season in the Glades has been a great influx of truckers from all sections of the country coming to secure loads of produce. The movement of truck by this method will hit a high record this season, and Red Monte plans to move about 35 to 40 per cent of the volume moved by rail. On the basis of 11,000 cars by rail, at 35 per cent it would mean 3850 cars by truck, and if 40 per cent, 4400 cars. This would make a combined movement of 1485 and 1500 cars.

EX-GOV. HOLLAND

Continued from page 1 veterans, to our war orphans and dependents, and to the returned veterans who will be seeking aid for rehabilitation in this location in business. That while defects and inefficiencies in our plan have developed, yet these are being speedily removed. We have started the greatest effort in behalf of our veterans that any nation has ever attempted.

We must work, establish and maintain the peace of the nation and the world, and we must not let UN down in any manner.

We must continue to give attention and assistance to those citizens who are less fortunate than the rest of us, who must have public assistance, unless their lot is to be a wretched one. There must be enlargement of the programs for assisting the needy aged citizens, the blind, and dependent children, the tubercular, those suffering from social diseases, unemployment insurance, for security of savings and bank deposits.

Holland also discussed the question of state rights in government, the relation between state and federal cooperations, letting the state handle and perform the things it is best able to perform and the government, those things that it can do most effectively. He said: "My aim will be to put the interests of the public first, rather than the group interests."

Going back to his record as a state senator and governor, the speaker referred to measures which had his authorship, and which had been enacted by the Legislature, that have proven beneficial to the state as a whole, and its citizens in particular, citing the following: State Citrus Advertising Bill; Citrus Standardized Act; Florida School Code; Fair Trade Act; Civil Defense Organization Act; Social Health Act; new taxation act; refunding of the Everglades bonds.

He also spoke of some of the matters which would have his attention if he went to Washington as a senator, reflecting upon the interests of Florida. He closed by giving a review of his own life in Florida, his part in public life, and made an appeal for support in his present senatorial campaign.

New Lumber Yard Here

F. A. Moraine, large lumber dealer of Ft. Myers, is opening a branch of his business in Belle Glade. He has leased land over on First street, S. E. where he is erecting sheds and office, and a lumber yard. He expects to have his source of lumber supplies from Lee and Hendry counties, and from plants in Georgia.

Pahokee Citizen Dies

Thomas Meade, Sr., father of George Meade, of Pahokee, passed this life last week end, and his remains were shipped to Hialeah, N. Y., for burial. He is survived by his two sons, George and Thomas, of Pahokee, and a daughter, Miss Mabel Meade, of Orlando.

Hendry County Hospital
Hendry County Commissioners are taking steps to provide that county with a county hospital, which it will build with funds earmarked from the county's race track monies and matched aid from the Federal Government. An undisclosed site has been secured and while the hospital is not just at present a pressing need, it is planned to be obtained while the getting is possible. The new institution will be a 50 bed unit with other hospital apartments and offices. At present all Hendry county patients must be taken to outside hospitals for treatment.

We wish to thank our many friends in the Glades for the business which they have given us in the past and for their understanding and helpful attitude toward us during the years while we were mainly engaged in the preparation and maintenance of Airfields for the Army and Navy.

Once again we are able to resume peacetime operations and offer you the same efficient and courteous service which it has been our endeavor to render in the past. The service we offer is complete, from landscape designing to a finished planting job. Our Nurseries are stocked with a wealth of lovely trees, shrubs, vines, potted plants, etc., awaiting your selection.

We invite you to stop in and visit us at any time and will appreciate your continued business.

EASTER IS A
Symbol of Renewed Life

It is at Easter time that both men and women usually plan to renew or enliven their personal Wearing Apparel. When women do this, they usually find they need some additional Jewelry or adornments for their dress outfits.

This year we are able to supply many of the adornment articles which have been missing during the war years, to make fashionable the dresses, gowns, neck and hand jewels.

As our stock is as large and quality as fine as found in any out of town city stores, and at prices comparatively lower than can be obtained elsewhere, SO WHY NOT TRADE AT HOME?

We suggest some of obtainable Easter presents or gifts from the following:

ALKAL-SELTZER
BRIGHTENS
MY DAY

OCCASIONALLY I wake up in the morning with a headache. It sometimes wears off along the middle of the forenoon, but I don't want to wait that long to feel a glass of sparkling ALKAL-SELTZER. It's just a little while I can be happy and the job.

Sometimes the week's tiring trip to work makes me feel like a head-basher. Then I mix a glass of sparkling ALKAL-SELTZER and I feel more like a head-basher.

Yes, Alkal-Seltzer brightens my day. It brings relief from the pain of my headache. And I believe I can keep it handy.

And when I get "head-bash" but I don't have a headache, I mix a glass of sparkling ALKAL-SELTZER and I feel more like a head-basher.

SOUTH BAY BEACH CITY LAKE HARBOR

Mr. and Mrs. H. B. Bowman and children have returned from a week end visit with relatives in Orlando. They have taken their home to E. R. Mackey and will leave for Jacksonville, Ala., where they will make their home.

The South Bay Town Fire Engine has been repainted and a new shelter erected opposite the filling station at Pine Points.

Rev. and Mrs. C. L. Clements, Mary, Shirley and Ivan Clements spent the week end with relatives at Lake City.

Mr. and Mrs. Vernon Henderson and son, Jeff Thomas, left Lake Harbor recently for San Francisco, California, and drove through in six days, reporting a good trip. They expect to remain there for the next five months until he receives his discharge from the Navy.

Mr. and Mrs. D. F. Hutchinson and family have moved from South Bay to Hookers Point. Mr. Hutchinson is one of the oldest residents, having lived at South Bay for 35 years.

Mr. and Mrs. Cees Peet of Delray Beach spent the week end as the guests of Mr. and Mrs. G. L. Royal, Mr. and Mrs. C. J. Brown.

Mr. and Mrs. Earl Walker are moving back to South Bay from Belle Glade and will occupy the Chester Shaw apartment.

E. R. Lott of Kreamer Island had the misfortune to lose all his furniture in a fire which consumed a truck as he was bringing it down from north Florida last week. The load of furniture was discovered to be on fire near Blountstown after traveling over 100 miles enroute home and was entirely consumed. All he managed to save was two front tires and the motor of the truck, a new 1940 Ford.

Mr. and Mrs. Raymond Stephens, who have been visiting Mr. and Mrs. F. W. Muttler and family, are leaving Thursday for their home in New Jersey. They started home the last of the week by bus and were among those slightly injured in the wreck of the bus on the Belle Glade-Paloket road.

Mrs. Alfred Vadas and Mrs. Saunders left last week for a visit in Arkansas.

Carl and Bob Keene, recently returned from the armed services, visited their brother, Leonard Keene and family last week, returning to their home in Orlando on Monday.

Mrs. Clayton Miller, daughters Florence and Mary Lou, and Mrs. Gale of West Palm Beach visited relatives here Thursday.

Earl and Horace Walker, recently returned veterans, are operating the commissary at the Okelanta Development Company.

Mr. and Mrs. C. L. Shaw returned from a visit among relatives at Cross City last week and Mr. Shaw opened his barber shop on Saturday.

Mrs. Irene Frame, convalescent from a major operation, is recuperating at the home of her daughter and son-in-law, Mr. and Mrs. Earl Walker.

Donald Barnes, Mrs. Leland Keene, daughter Patsy, Bob and Carl Keene enjoyed a picnic at Fishing Creek Sunday.

Lieut. and Mrs. R. C. Howell and daughter, Brenda Gail, of West Palm Beach, visited his sister and husband, Rev. and Mrs. Wm. Oswald, over the week end.

Ernest Roberson of Lakeport spent a long week end with his grandmother, Mrs. Edwin Best, making the bus trip both ways alone.

Mr. and Mrs. V. N. Greer have moved into the R. 12 Wilder home. Gloria Greer, who was quite ill last week, is convalescent.

Mrs. C. M. Rutledge, Mr. and Mrs. C. A. Buffone of Hollywood, visited their daughter and sister, Mrs. Leon Willis and family Sunday and took Sandra Willis home to spend a couple of weeks with her grandmother. Storekeeper J. C. Buffone has recently been returned from overseas service in the Pacific and is now employed at their local Margaret Ann Grocery.

Laymon Hardy, EM 1-e, returned last week from California and visited his parents a week, reporting to the segregation center at Jacksonville, Monday to receive his discharge. He plans to enter Cornell University to complete his college education.

Pvt. Hollis Martin has left for overseas duty with the U. S. Army Occupation forces.

Mr. and Mrs. John R. Crow returned home Wednesday accompanied by her grandchildren, Raymond and Mary Louise Green of Clearwater, who spent the night with their aunt, Mrs. E. M. Willis and family and then went to Miami for a week end. Raymond served with the Merchant Marines and is just back from the Celebes and Miss Green is down from Washington, D. C. She served during the war at the Embassy in Washington and in diplomatic service in the Dominican Republic and at Madrid, Spain.

Eugene M. Hardy, ARM 2-e, who has spent the last month visiting in South Bay, left Thursday for Norfolk, Va. for assignment to sea duty.

J. L. Wyman and wife of Tampa have purchased the Cozy Corner Cafe from Malcolm Beard and are operating the business.

South Bay Citizens Want Recreation Hall

A movement is on foot to secure a recreation hall for South Bay and community. A meeting of South Bay citizens at the school auditorium Monday evening made plans for such a building and appointed a committee to draw up plans for the building and make an estimate of the cost.

It was decided to serve a barbecue supper at the school cafeteria on Thursday, April 18. Price for tickets will be \$1.00 for adults, 50 cents for children. Barbecued beef and pork and swamp cabbage will be served up to 9:00 p. m., followed by a community sing.

The public is urged to support this program to secure a recreational center and playground for adults, young people and children in the community, especially the latter. This is in line with movements to give the youth of the various communities good wholesome recreation and in some measure counteract the tendency to juvenile delinquency which has been sweeping the nation in recent years.

The need for a community center and recreational hall has been felt in South Bay since the Health Center, remodeled and equipped by the Parent Teachers Association and the community for a clinic and community center as well as a club house for use of P. T. A.

4-H Clubs, Girl and Boy Scouts, Home Demonstration Club, and community recreation, was closed to the community by action of the Palm Beach County Board of Education several years ago after the opening of the school cafeteria.

The school building, which has served rural communities in the United States as community centers, recreational halls and public meeting places since the beginning of the public school system, has been closed to the public and community in Palm Beach County by action of the County Board of Public Instruction for the last ten years or more; only meetings and gatherings having direct affiliation with the schools have been permitted.

Cities and large communities able to provide other community meeting places have not felt this deprivation; but for the small rural community without sufficient funds to provide them, such facilities this summary closing of the school buildings to public evening gatherings has been a handicap to community progress.

Truck Burns

A truck owned by A. R. Ramsdell of Plant City used to transport produce from the Quartermaster Market Center at Orlando to various points in south Florida, burst into flames just as the driver, R. B. Patterson, turned off Road 10, the main business section of South Bay.

The truck was of the light hose type with the engine directly under the cab so he had difficulty in getting out of the flaming cab without injury. He and no idea he said what caused the fire.

The South Bay Fire Department responded to a call for help and quickly extinguished the blaze before the truck could burn for long. The engine, ignition system, wiring and car-buretor were badly burned.

New Pastor Honored

Rev. and Mrs. Wm. Oswald, new pastor and wife of the South Bay Baptist Church, were honored at a pantry shower and fish fry at the home of Mr. and Mrs. S. M. McAllister Tuesday evening. The affair was sponsored by the WMU and the church. Mrs. D. M. Hardy and Mrs. E. E. Hardy.

A great quantity of staple

groceries and canned goods as well as tea towels and kitchen linens and linens were showered upon the newly wedded pastor and wife.

The evening was pleasantly spent in parlor games and contests. Fish fried on the outdoor stove, cabbage salad, bread and coffee were served to Rev. and Mrs. Oswald, Rev. and Mrs. Tenoschuck, Rev. and Mrs. A. W. Dawson of West Palm Beach, Mr. and Mrs. W. C. Vorell and children of Moore Haven, Mrs. D. H. Smith of Belle Glade, Mr. and Mrs. J. P. Prevatt, Mrs. R. H. Hall, Mr. and Mrs. J. H. Harrelle, Mr. and Mrs. E. E. Dasher, Mrs. H. B. Vero Beach Lost
Pep With Ram Hitting

The Vero Beach baseball team came to Belle Glade Tuesday full of vim and push, for the purpose of taking over the Golden Rams, and for a time it looked as if they were going to do that very thing. When they got behind in the score, that energetic strain seemed to come out of their bunch. The only serious item of the game came when one of Goose Williams' fast chutes caught Bobby Bass, a former Belle Glade boy, on the head and cut open his eye and nose.

Coach Cooke started McClatchey in the box, and he lasted two and a half innings, then Bearden twirled until the seventh, and Ace Williams took over and finished the game. Bearden pitched a creditable game and then Williams whiffed the last three men. Larson, a clever twirler, went all the way for Vero Beach. Vero Beach developed a series of jittery errors

after the third, and piled up 13 errors.

Vero Beach scored runs in the first three innings and in the sixth with three straight singles sent two more scores across. The Rams scored one in the first, then in the third copped the game. Stalling opened with a double down the right field line; Bearden singled, Kent singled on a golf ball placement; Williams was safe on a fielder's choice. Then McClatchey came up and pulled one to the ditch in left field for a homer and five runs crossed the home plate. The Rams scored three in the sixth on a single, two passes and a bunch of errors, and two in the seventh on a double by Williams and an error by short on McClatchey, who same home on a wild pitch.

Johnwick Goes to Stuart

Prof. Irwin Johnwick, for a number of years principal of the South Bay schools, until he entered Army service, and who has a wide acquaintance in county educational circles and the Glades, next school year is to be the principal of the Martin county high school at Stuart, having been elected to that position by the County Board of Public Instruction last week end.

Johnwick entered the Army as a private and when he was honorably discharged he retired with the rank of Major.

Dr. John Leonard, under whom Johnwick formerly worked, expressed deepest regret in losing him from the Palm Beach county schools, and he had no place to assign him, and assisted and recommended him for the new Stuart position.

New State W. S. C. S. Officers

At the state meeting of the W. S. C. S. of the Florida Methodist conference held in Tallahassee, last week, Edwin B. White, of Miami, was re-elected as president. Other officers chosen were: vice-president, Mrs. W. H. Beaman, Miami; recording secretary, Mrs. H. L. Dodds, treasurer, Mrs. W. A. Pattishall, Orlando. Mrs. Beckman and Mrs. Dart will represent the conference organization as delegates to the national conference to be held in Columbus, Ohio.

Cane Season Ends May 1

The record breaking sugar cane harvest of 1946 is expected to come to a close around May 1st, according to Sugar Company officials, providing natural elements do not appear to interfere. Operations during the season have been effective, and production has reached new high marks, or more than 1,000,000 pounds of raw sugar a day.

Mr. Clarence Biting has been the operative supervisor during the entire year, owing to illness of Jay Moran. Mr. Biting is going to return to New York on a vacation and business trip, but will return for the windup of the season. What repairs are to be made on the plant during the summer will be nominal and will be carried on by a skeleton staff of plant operatives.

NEW RADER BLOCK, AVENUE A

Monday Morning, April 15th

After much investigating over Florida for a site for our proposed business establishment, we chose Belle Glade as the most opportune location, it appealing to us as a wide awake and a good business town. We are here to justify our selection.

It is our intent to establish and keep an attractive store, where patrons can expect courtesy service, and to which they will want to return again and again, to secure their merchandise wants and needs.

Our Grocery Department

which will be in charge of Mr. Herbert Close, an experienced merchandiser, will carry all Standard and Advertised Brands of Goods, so far as obtainable, of such an assortment as will meet the trade demands. All new and not store worn.

Our Meat Department

will be supervised by Mr. Frank Close, a man who knows his meats from range training, and the majority of our meats will come from our own cattle range near Moore Haven. We will also carry Western Meats, Cured Hams and Bacon and Home Dressed Poultry.

Later We Will Add a Fish Market

Just come and visit us, look around, and be personally satisfied that the C and B is what we represent in the above announcement.

Road Completed

The new two-mile farmers road running along the Belle Canal east from Okeelanta to open up hundreds of acres of new farm land to development, has been completed and surfaced. County Commissioner Paul Rardin announces that the

new road will be oiled to prevent erosion by wind and weather action sometime this month.

N. N. Starling, who built the road grade, stated that all farm roads should be oiled to preserve the surface. He estimates that an inch of the top surface of the dust has been blown and

washed away from the new road just since it was finished.

Starling & Delaney, who are working under contract with the Hillsborough Plantations, on their unit ditching and diking program, are working three draglines 20 hours a day and have moved 135,000 yards of muck during the last month. Two new draglines for use on this project are now enroute. They expect to finish the first unit by May 15.

Black Yankees Win

Around 1500 spectators witnessed the Black Yankees, of New York, and the Belle Glade All Stars, crack colored teams, play ball under the lights at Okeelabee field Saturday night, and witnessed a mighty fast and well played game of big league calibre.

It was a pitchers battle between Lefty Albert and Johnson, but the latter proved to be the most effective. The Yankees also showed they knew what a bat was for and pounded out hits when they counted. The final score being, Yankees, 4; All Stars, 1.

The Yankees are traveling by bus on their Florida circuit trip, and have won four out of five games played. The All Stars this season have played seven games in which they have been victors in five, and stand to equal a former seasons record, for they really have a fast and efficient team.

More Saturday night games are to be staged at Okeelabee field during the summer.

Ft. Pierce Coach Resigns

H. H. Stone, who has been Athletic Director and Coach at the Ft. Pierce schools, for the past three years, in a surprise move, has resigned that position effective at the close of the present school year. He plans to continue coaching elsewhere but has not disclosed the location. Coach Stone gave Ft. Pierce the first Indian River conference championship team in its history, and his going is much regretted by citizens and school. Ft. Pierce has been given membership in the Gulf Stream conference for the coming season.

Scouts Camp

The Boy Scout Troop of South Bay under the direction of Assistant Scoutmaster Willis Warren, spent a two day camping trip at Fishbeating Creek last Thursday and Friday. Mrs. O. M. McAllister, Mrs. H. L. Marlowe, Jr., and Lucretia Roadman accompanied the boys Thursday, returning home the same evening.

Scouts attending were Bill Strickland, Ralph Goodbread, R. G. Lockmiller, Jack Wilber, Tommy Strickland, Jimmy McAllister, Alton Byrd, Raymond Martin and Billy Byrd. Friends accompanying the group included Vance Greer, Thomas Williams, Purvis McAllister and Rayford Sellers.

Commission At Clewiston

The State Advertising Commission, of which James Ball of Belle Glade, is a member, is having its monthly meeting at the Clewiston Inn, this Fri-

day and Saturday. Robert Gray, Secretary of State, is the commission chairman. At this time preparation of summer advertising schedules will be planned and likely effected.

Grand Chapter Meeting

The annual session of the Grand Chapter of the Order of Eastern Star, was held at Miami Beach this week, drawing a large assemblage of delegates from all over Florida, including the Glades chapters. Mrs. Mabelle Ramey, of Miami, Grand Worthy Matron, presided over the Chapter proceedings. Outside the convention, there were side attractions of banquets, entertainments and beach parties.

Still Forgetful Persons

Parking receipts, according to Officer Ford Cochran, last week missed the sum of \$132.00, and a large number of offenders deposited \$20.25 with the chief of police. As a result of collections as a whole, the city now owns near a dozen of the meter machines.

Police Court Prisoners Told Of Peace Plans

There was a pickup in municipal court cases on Monday night, and Mayor George A. Taylor was in fine fettle for his duties. That the police are enforcing the reckless driving and speeding curb was shown by the number of cases of that type called. One fellow forfeited a \$100 bond, and several others were given heavy fines. One negro man and woman, who had been before the court so many times that the city was getting most of their bean money. The Mayor took pity on them, and released them, but told them if they came back again, he would throw the law book at them. He told one fighter that the war was over, but Belle Glade was going to have peace, and told him his little meele would cost him \$25 and thirty days at street labor. After the police gamering and passing of fines by the Mayor, there sure is going to be more free prison help working for the city.

Rams Win At Ft. Pierce

Our Golden Rams played a night game with the Eagles at the Jay-See field at Ft. Pierce last Friday night, and kept up their list of victories, coming out ahead by a score of 7 to 4. Bearden pitched four innings and Williams completed the game. The Rams scored four of their seven runs in the first inning. The game presented few errors by either team and was witnessed by a large crowd of ruid Ft. Pierce fans. The Rams had eight hits to four garnered by the Eagles. The Rams have now played four conference games, winning two and losing two.

New York Boys Take Over Business

Sam Berger and Louis Sherman, of New York city, are new arrivals in Belle Glade, and have leased the Amoco service station. Both of these young men saw fighting service in the European sectors, and have honorable discharges from the Army. They are relatives of the proprietors of the K and S Fish market, through whose good words of the town they have come here to start their business.

Bus Accident From Broken Front Axle

What might have proven a grave serious accident than it was, came in an accident on Saturday night, near the Prison Farm around 6:30 o'clock. The front axle on one of the big Glades buses broke and the vehicle crashed into a tree with great force. The bus was loaded with some 42 passengers, mostly negroes, and a number of them were slightly injured and shocked with the heavy contact of the bus, the pavement and the tree.

McCarthy New Rotary President

Dan McCarthy, former legislator and well known business man of Ft. Pierce, who has a wide acquaintance in the

Glades, has been nominated and will be elected as president of the Rotary Club in that city.

We're on the way!

In spite of the shortages in machinery, materials and manpower, we're gradually meeting our customers' demands for more and better service.

For instance, our 24 million dollar construction program is now well underway. It includes three new generating plants on the inter-connected system, as well as new wiring and new neighborhood substations in localities where needed most.

We want you to have an extra measure of that well-known brand of Sunshine Service. We're on the way! We'll reach you as soon as we can. And thanks for the opportunity of serving you.

FLORIDA POWER & LIGHT COMPANY

Greyhound's 6-Point Program for the New FLORIDA GREYHOUND LINES

1. NEW EQUIPMENT is on the way. After unavoidable delays in manufacture, delivery has been promised at an early date. These new super-buses incorporate many advanced features that promise a new conception of luxury and safety in highway travel.

2. NEW AND IMPROVED PASSENGER STATIONS are well beyond the blueprint stage. They will be pushed to completion just as rapidly as materials and labor become available. Passenger comfort and pleasure has been foremost in designing new Greyhound stations.

3. NEW AND BETTER SCHEDULES are being put into effect with arrival of new equipment and the return of many of our veteran personnel from the armed services. Fast, frequent schedules will assure your community one of America's finest transportation services.

4. ADDITIONAL LIMITED AND NON-STOP EXPRESS service will be added at an early date. All seats reserved. Free pillows. Steward service. And other luxury features will be provided to make your journey one of uninterrupted comfort and pleasure.

5. NEW AND FINER REST STOPS are a top priority, and will be provided along all Greyhound routes. A real stop-at attractive Wayside Inns, where delicious meals and light refreshments can be had quickly and courteously—at modest prices.

6. MODERN COMMUNICATIONS. Two-way radio between buses and stations now being installed on many Greyhound lines. Teletype (TWX) service is being now used at many division points for greater efficiency in dispatching of buses and expediting of passengers to points of destination.

Always a LEADER

Greyhound is constantly planning and designing new means of making your highway travel happier. Not only today—but during the years ahead, scores of new advances and seasonal improvements in service scarcely dreamed of today. Depend on Greyhound as a leader to serve you better.
